Hi Rebecca – are there any special shipping instructions you use to get the disk through our mail dept faster?

Thanks,

Gail

Hi John.

I have a disk with the MT CALMET files for all three years. Each year is about 160 GB. It's probably best if you send a disk, and I'll make a copy. Or if you want to come over to our office it should not take long to copy the data.

Thanks,

Gail
